Life Questions:

1. Monday – Before Isaiah said “Here am I, send me” he went before God and realized he was a sinful man. Is this an important step to take before we go out and proclaim the Good News to our families and community?
2. Tuesday – Who in your life do you feel you are helping watch over? What are we doing that helps these people see that we care about them?
3. Wednesday – Have you ever been lost – lost enough to be scared? Do you have family and friends that have lost their way in life? How is God calling you to reach out to others?
4. Thursday – Who in your life has represented living out the Gospel by the way they live their life? What do you think your life looks like from the “outside”?
5. Friday – Disciples need to be equipped to pass on their faith – are we teaching new believers how to make disciples of others?
6. Saturday – God really does love us – but, people have the freedom to choose or to not choose to follow Christ. What made the difference in your life that helped you accept Christ? Have you told your faith story to others recently?
